Dear Mr. Wright,
Greetings to you and the entire
Budu Liberian Refugee Children
Project family in the U.S.

I say a big thank you all of
you for the love shown to US Liberian
in the Refugee Camp. Thanks to you
all because my son is now being
educated and has hope of a bright
future.

You may not be aware, but
we the parents can now smile
because our children are no longer
roaming the streets of Buduburam
without being in school. Your money
is being spent wisely and I pray
God's blessings upon all of you.
Also, to Sadia and her husband
for sponsoring my son Daouda.
May God Almighty give you back
a hundred-fold.

Truly Yours,
Mabel
